

ENDOBONCHIAL TUBES

Teleflex offers a range of endobronchial tubes from our Rusch® and Hudson RCI® Brands, including left- and right-sided options to meet the needs of anesthesia professionals and their patients.

**CARLENS - LEFT BRONCHUS ENDOBONCHIAL TUBE**

The Rusch® Bronchopart™ Carlens - Left Bronchus Endobronchial Tube features:

- Ruschelit™ PVC technology provides the right degree of stiffness, flexibility and kink resistance
- Specially shaped bronchial cuff helps prevent accidental right upper lobe occlusion
- High-volume/low-pressure cuffs
