

RESUSCITATION

POCKETPAK EMERGENCY MASK KIT

Description:

The PocketPak Resuscitator Emergency Mask Kit prevents mouth-to-mouth contact during resuscitation and fits standard manual resuscitators. The collapsible mask is easy to use and convenient to carry.

- Mask with pliable, clear dome to provide secure seal
- Capped port for delivery of supplemental oxygen
- Low-resistance valve and particle filter
- Foldable extension tube
- Packaged in a sturdy “clam shell” case, 4 masks to a convenient storage box
