RESUSCITATION

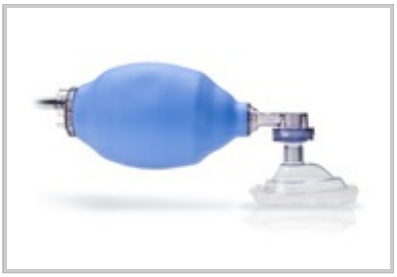

Teleflex offers a selection of resuscitation devices to help improve patient outcomes while helping to reduce the cost of care. Resuscitation bags, PEEP valves and emergency mask kits are offered through the Hudson RCI® and Rusch® Brand portfolio.

LIFESAVER® DISPOSABLE MANUAL RESUSCITATOR

The Lifesaver® Disposable Manual Resuscitator's nonslip grip and quick rebound provide the performance and reliability you need to get a handle on emergency resuscitation. Available in an extensive array of configurations, the Lifesaver® Resuscitators are designed to support the most urgent, clinical needs of the critical care patient.
