Hudson RCI® Non-Prefilled Nebulizer

**Description:**
The Hudson RCI® Large Volume Non-Prefilled Nebulizer is a disposable nebulizer designed for use with clinician-provided water that delivers humidified gas in concentrations ranging from 28% to 98%, and features:

- Lightweight, easy to use construction
- Bright yellow, Venturi-style entrainment ring with incremental dial for setting oxygen concentrations
- Polypropylene jar holding up to 500 cc of water
- Clearly marked water levels
- Individually packaged
