

NASAL CANNULAS

SOFTECH® PLUS NASAL CANNULA

Description:

Softech® Plus Nasal Cannulas are the confident choice for comfortable oxygen delivery because of the proprietary combination of a softer non-DEHP material and improved product design. Softech® Plus Cannulas help to improve patient comfort and enhance the quality of care.

- Soft durometer lariat tubing to increase patient comfort
- Crush- and kink-resistant Star Lumen® Oxygen Supply Tubing
- Green supply tubing increases visibility and helps to reduce connection errors
- Notch between nasal prongs to provide flexibility and a more customized fit for patients (excluding the Neonatal Softech® Plus Nasal Cannula, item code 1873)
- Individually packaged
